## HARRINGTON PARK SCHOOL DISTRICT

### Welcome back, students and families!

Welcome back to the 2021-2022 school year. There have been so many lessons learned these past 18 months, and we are excited to turn the page to a new history of Harrington Park and see where the road will take us.

Through outstanding financial planning, we as a District were able to five years ago refinance the district bonds (Debt). At the end of this year, the district will be debt-free. The board is proud to announce that the community will receive the first tax break that will genuinely impact Harrington Park residents.

We are also currently working with architects to improve the facility. The Harrington Park School has always been the center of this community, and this house requires some much-needed TLC. Milling of the parking lot and upgrading 60-year-old bathrooms are just some of the projects that we will be focusing on and anticipate will be completed over the next 2 years.

We believe with this tax break and your support, we will also be able to upgrade our science lab and bring it into the 21st century, utilizing both our indoor and outdoor space to create scientific learning environments that improve the educational practice for children. We are also in the stages of working with our community stakeholders that center around the upgrade of our sustainability and green programs. From installing EV charging stations to solar energy, we will investigate every possible opportunity to help continue to evolve and grow as a District.

Welcome back everyone and welcome to the next step in HP.

## HARRINGTON PARK SWIM CLUB

Thank you to all the members, managers, lifeguards, volunteers, and guests who made the summer of 2021 so wonderful. After missing 2020 we were not sure how 2021 would play out, but looking back it's fair to say the club enjoyed a lovely summer by the pool. Whether you were a new or returning member or a guest, we hope you had some memorable and fun days. Special thanks to all who helped organize and run the many special events, which certainly helped make it a fabulous season. Your energy, enthusiasm, and fun-in-the-sun spirit make the club the special place it is. However you used the Swim Club this summer, we hope you had an enjoyable experience and can see why we value the Swim Club as such an important part of the Harrington Park community. We wish everyone a happy and healthy rest of 2021 and look forward to seeing you all again in 2022. More fun to come!

## ENVIRONMENTAL COMMISSION AND GREEN TEAM

The bees at the Harrington Park hives were exceptionally productive this year; Environmental Commission is selling its freshly harvested honey. Available at Borough Hall, each half pound jar is \$10; all proceeds go toward environmentally enhancing projects for Harrington Park. BTW, consuming locally harvested honey is said to be helpful in building up resistance to pollen-based allergies.

A fall cleanup tip: If you have ornamental grasses around your home, don't cut them back until the spring! The grasses provide seeds and shelter for small birds that don't migrate for the winter months.

## FIRE PREVENTION NEWS

October is Fire Prevention month. This year's theme is LEARN THE SOUNDS OF FIRE SAFETY. Go to YouTube for an informative video: 2021 Fire Prevention week Theme Learn the Sounds of Fire Safety. In the last issue, there was a reminder that the Borough requires you to display a house number. This will speed up the response in the event there is an emergency. Now is the time to check the wiring of your holiday lights that will be used both inside and outside your house. Damaged wires will start fires. If you have any questions, please contact me at [tsimp07640@gmail.com](mailto:tsimp07640@gmail.com)

**THE HARRINGTON PARK VOLUNTEER AMBULANCE CORPS** There will be a new segment on our Facebook page. Each month a member from our crew will be featured, including pictures and an overview of interests, hobbies, and more. The post will be shared onto the New Jersey State First Aid Council Facebook page as well. Log onto Facebook and type in "Harrington Park Volunteer Ambulance Corp" to learn more about our members! We have taken the initiative to introduce our team to the new Allegro Assisted Living Facility located in town. We have begun to familiarize ourselves with staff and the layout of the facility in the event of an emergency. Thank you to those who donated to our annual fundraiser. These donations allow us to continue giving care to our friends and neighbors. We are currently looking for more people to join our team. Please reach out to [hpmvac526@gmail.com](mailto:hpmvac526@gmail.com) or contact any member if you are interested in learning more about this opportunity. Our dynamic team is looking forward to wholeheartedly welcoming new members into the group. We also invite you to log on to our website [www.hpmvac526.org](http://www.hpmvac526.org) to find out more. **+ JOIN OUR TEAM +**

## ***Those Autumn Leaves***

As you or your landscapers clear your lawn of leaves, please make sure that the leaves get placed at the curb of your property and not in the street. This will help keep our drainage system clear and avoid flooding. Our D.P.W. tries to pick up the leaves at least once a week. This service usually ends just before the snow season starts. We appreciate your cooperation.

## ***Our Children's Safety***

With the opening of school and the start of autumn activities, please try keeping your speed, while driving in town, to 25 M.P.H. In addition, remind your children of safety habits that protect them from serious accidents. I love the signs that state DRIVE LIKE YOUR CHILD LIVES HERE.

## ***Special Thanks to Our Volunteers***

On September 18, 2021, we had a very successful "Town Day." It was considered, by some, as the best we ever had. In addition, every Sunday, during September and October, we have a Farmers Market. This activity is very well attended and considered one of the best Farmers Markets in the immediate area. The Harrington Park Business Alliance and the Recreation Commission, among others, deserve our thanks and appreciation for the time and effort that make these events so popular.

## ***Winter Weather Suggestions***

Before the winter snow storms begin, please consider the following:

- ~ do not throw or plow snow into streets
- ~ as you look at your garage, while removing snow from your driveway, place the snow to the left of your driveway. This will help keep some of the snow from being plowed back in front of your drive by Borough plows.
- ~ if you can avoid leaving your home, please wait until the streets are cleared.
- ~ please consider adopting a friend or neighbor who might need assistance during a storm

## ***COVID-19 Update***

As the number of Harrington Park residents who have or had COVID-19 remains stable, please continue to protect yourself and your family. The battle is not over, so please stay alert and safe.

## ***Remember Those in Need***

The Norwood Food Pantry, which serves Harrington Park, continues to collect food for those in need. If you are able to contribute, please contact Joanne Scalpello at 201-394-4089. In addition, hot meals are available to Harrington Park residents. The names of those participating in the hot meal program will be kept confidential.

## ***Good News from the Harrington Park Fire Dept***

After months of tracking, Chief Barragatta, with help from Michael Hunkin, our OEM, has secured a "heavy duty 6 x 6 vehicle from surplus through the General Services Administration." The vehicle has a \$0 acquisition cost. Gentlemen, you did a fine job. This high-water vehicle is a welcome addition to the department. Thank you.

## ***Enjoy All the Upcoming Holidays***

Since this might be the last 2021 newsletter, I want to say that I hope all of the holidays you participate in find you surrounded by your family and friends. Hopefully, they will be peaceful and rewarding.

Thank you, *Mayor Paul Hoelscher*
